

Gift Exchange Dice Game

Two Dice Version

Players sit in a circle. Each player is assigned a gift to start. Going clockwise, players take turns rolling two six-sided dice. When all gifts are unwrapped, the game is over.

Total up the two dice for a result...

- 2** Everyone passes their gift to the right
- 3** Everyone passes their gift to the left
- 4** Swap gifts with the person on your right
- 5** Swap gifts with the person on your left
- 6** You may swap your gift for any wrapped gift
- 7** You may swap your gift for any other gift
- 8** You may swap gifts with anyone NOT sitting next to you
- 9** Choose another player and have them unwrap their gift
- 10** Unwrap your gift. If already unwrapped, roll again.
- 11** Unwrap your gift. If already unwrapped, you may swap it for another unwrapped gift.
- 12** Unwrap your gift. If already unwrapped, you're out of the game (keep the gift you're holding).
